

Scott Brothers Duo (Jonathan & Tom Scott) present an *unmissable* keyboard duo extravaganza of music for piano and organ

including famous works by Rossini, Debussy and Mozart and the ever-popular finale from Saint-Saëns' *Organ Symphony*! The concert also features screenings of Tom Scott's animations to accompany Gounod's *Funeral March of a Marionette* and Mussorgsky's *Pictures at an Exhibition*.

"It doesn't matter whether you know the music or not, the sheer enjoyment and energy of the Scott Brothers Duo makes you feel as though you do, and it's a knockout!"
